

MEDCOM Small Business Training

March 4, 2009

Presented by
**Pat Tovar, PTAC Program
Manager**

PTAC

Purpose:

- Government Contracting Assistance
- Grant-funded by the Department of Defense

Mission:

We maximize the number of **capable** companies competing for government contracts on the federal, state and local levels.

Success

- In FY08 we assisted our clients in winning over \$28 million in government contracts.

PTAC

Unique Capabilities

- Develop **customized marketing plans** to help small businesses market their business to government agencies
- **Matchmaking assistance** through our extensive database of potential teaming partners
- Clients have **free access to parts histories** on part numbers and National Stock Numbers (NSNs)
- **Free bid matching** service to qualifying businesses
- **Free monthly seminars** on relevant government contracting topics
- Free access to **PTAC's monthly eNewsletter**
